As is often the case, whenever something sounds too good to be true, it ~~usually~~ almost *always* is. Whether it's an investment firm with a decades-long track record, demonstrating an uncanny "knack" for *always* timing the global markets *perfectly*, or it's a mythical tech founder whose startup *prophetically* answered all of the world's most pertinent questions, long before anyone else on the planet bothered to ask or even knew they had them. That's how I'd describe most bios of the larger-than-life "tech geniuses" adorning today's "Mount Rushmore" of revolutionary Silicon Valley startup founders. Eric Schmidt is certainly no exception. In fact, Eric Schmidt might actually be George Washington himself.

So, who the hell is this Eric Schmidt guy, *really*?

Welp. If "your network determines your net worth," and a legacy is any indication, Eric Schmidt might actually be the glowiest glow stick in the history of Silicon Valley BigTech founders. Not even kidding. But before we get into his heritage and supervillain origin story, I believe in doing first things first. As I addressed in autistic-level detail with my first Aladdin and BlackRock Substack article from a few weeks back, Israel's ultimate weapon of global financial manipulation and market control (and warfare) is CLEARLY the Aladdin platform, which was first rolled out by BlackRock in 1988. Or perhaps more accurately, *Aladdin first rolled out BlackRock* in 1988. Aladdin enables Israel (and global power) to engage in

BETAR = LEUMI (Irgun/Herut) = LIKUD
Hey, y'all remember THIS fa***t, who fully agrees with the 50 Rabbis who ordered Netanyahu to bomb the only Christian hospital in Gaza?
"BETAR WORLDWIDE"@BETAR_USA(RONN TOROSSIAN)
BETAR US is the "Zionist Movement of Vladimir 'Ze'ev' Jabotinsky", based on Jabotinsky's idea of "REVISIONIST ZIONISM", the core tenets behind the eventual creation of the ZIONIST TERRORIST ORGANIZATION called "IRGUN (LEUMI)".
(Dude's a literal fucking terrorist with much more significant ties than you think.)
*Jabotinsky later changed his name from Vladimir to Ze'ev, created IRGUN ZVAI LEUMI (Irgun), the "militant Zionist underground army" paramilitary that was referred to as the National Military Organization in the Land of Israel (IZL), and that had split off from HAGANAH (which would become the IDF).
*LEUMI (IRGUN) carried out a number of TERROR ATTACKS and BOMBINGS as a ZIONIST PARAMILITARY, with LEHI (The Stern Gang), and both would later be assimilated (at least partly) into the IDF... the successor to HAGANAH.
*After the establishment of the STATE OF ISRAEL in 1948, LEUMI BANK would become the FIRST CENTRAL BANK of ISRAEL and ISSUED ITS FIRST BANK NOTES.
(Leumi Bank = The Bank of Israel = Aladdin)
CLIFFS: LEUMI (IRGUN) was the predecessor of HERUT, one of the FIVE "CONSOLIDATING" political parties of "SECULAR ZIONISM" making up what we know today as THE LIKUD PARTY.
"LIKUD" is the Hebrew word for "CONSOLIDATION" and the Likud coalition was officially FOUNDED on SEPTEMBER 13, 1973 by MENACHEM BEGIN and ARIEL SHARON. Likud operated as a coalition for the next 15 years.
"THE LIKUD PARTY"
*In 1988, the SAME YEAR that ALADDIN (BLACKROCK) emerged from the computing labs of SUN MICROSYSTEMS and the efforts of CHARLES HALLAC, BENETT GOLUB (UJA/BLACKROCK), ERIC SCHMIDT (GOOGLE), VINOD KHOSLA, etc., the Likud coalition formally MERGED into a SINGLE POLITICAL PARTY under the "LIKUD" name, with HERUT (LEUMI/IRGUN) making up its LARGEST GROUP.
LIKUD — NATIONAL LIBERAL MOVEMENT
*The LIKUD Party consists of:
✅HERUT (LEUMI/IRGUN)
✅MOVEMENT FOR GREATER ISRAEL
✅FREE CENTRE
✅LIBERAL PARTY
✅NATIONAL LIST
*NOTEWORTHY: Because HERUT (Leumi) had already been working behind the scenes with the LIBERAL MOVEMENT, "GAHAL", since 1965, when the LIKUD coalition was initially created, HERUT remained the most SENIOR PARTNER of LIKUD.

Ask Georgina and Alan Rothenberg why they make charitable giving a priority, and they answer without missing a beat. "We care about people," Georgina says. "It's as simple as that."
The depth and breadth of their caring is extraordinary. Over the course of six decades together, the native Michiganders have worked to strengthen the social fabric of the adopted Southern California community. "We grew up with tzedakah as a primary value," Alan says. "Our parents modeled it for us, and we've tried to do the same for our three sons."
The couple set a stellar example for their boys, Brad, Richie, and Danny, and their respective families. Whether giving their time or financial resources, Georgina and Alan have spent a lifetime committed to improving the community. "Alan has served on the board of many civic, professional, and nonprofit organizations," Georgina says with pride. A renowned expert in sports and business law, Alan was chairman of the 1999 Women's World Cup and 1994 World Cup Organizing Committee and served as president of the LA Area Chamber of Commerce, the State Bar of California, the LA World Airports' Board of Airport Commissioners, and the U.S. Soccer Federation. Georgina, a noted sculptor and jewelry designer, has been an active participant in organizations including Bet Tzedek, Cedars-Sinai, and LACMA.
No matter the cause, their approach has always been to identify strategic ways to maximize impact, and a strong partnership with The Foundation has been critical to their philanthropic success. "I always tell people that if they want to get started as philanthropists, there's no better way to do it than through The Foundation," Alan says.
They share the message with their family every year. Every Thanksgiving, the extended Rothenberg family gathers to discuss how they will allocate charitable resources from their charitable fund for the year ahead. Georgina and Alan give each family member money to donate to their charity of choice, which they then match. "Making donations

A SOVIET/BOLSHEVIK consortium of RAND, ANTIFA, ADL (Mossad/B'nai B'rith), ACLU, SPLC, Unicorn Riot and the "SUMMER OF LOVE" riots — CIA, US NAVAL INTELLIGENCE, BRITISH INTELLIGENCE and ISRAELI INTELLIGENCE OPERATIONS.

AIF is HUGELY relevant to what's happening right now, especially because of RAND CORP, which was behind the MK-ULTRA PROGRAM (CIA/Sept 11/Kroll/Psyops).

RAND DEFENDING ANTIFA

(June 2020)

That's because RAND, Antifa, ADL, SPLC, ACLU, Unicorn Riot, etc. are part of AMERICAN IRON FRONT — a SOVIET/BOLSHEVIK JEW TERRORIST CONSORTIUM of CIA and U.S. NAVAL, BRITISH AND ISRAELI INTELLIGENCE OPERATIVES who seek to "stamp out the ALT RIGHT".

They were behind the "Summer of Love" riots.
